The Asylarbeitskreis Heidelberg offers open tutoring for refugees from Ukraine on Sundays from 16:00 -18:00 at the Hotel Metropol in Alte Eppelheimerstraße 80.

There is a large room with laptops and multilingual tutors available to help with follow-up from language classes or other educational needs. Everyone is welcome and we'll see who is best helped by whom on the spot on Sunday. We can learn vocabulary together, practise conversation or explain grammar. We can also help with bureaucratic issues.

The organisation is done via a Whatsapp group, which can be joined via the QR code. There you will find concrete information.
